

## 2022 Membership Packet

Dear Downtown Business or Property Owner,

**The Winters Downtown Business Association** is an official non profit entity. The Association was formed in order to have an official entity that would help support the work of the downtown managers group. In addition, this Business Association would also take on the role of organizing and advocating for the downtown.

It is the intent of the WDBA to work collectively with the downtown managers group, and build a united and sustainable business association for the future of the Winters Downtown.

We would love to have you as a member! Please fill out the attached application to register as an official member of the WDBA!

Thank you.
