

Dear Downtown Business or Property Owner:

The Winters Downtown Business Association is an official non-profit entity. The Association was formed in order to have an official entity that would help support the work of the Downtown Managers Group. In addition, this Business Association would also take on the role of Organizing and Advocating for the Downtown.

While Parking, Trash & Beautification were top priorities when this group initially started, we now have New Priorities that we need to work on. It is the intent of the WDBA to work collectively with the Downtown Managers Group and build a United and Sustainable Business Association for the future of Downtown Winters.

We would love to have YOU as a member! Please fill out the attached application to register as an official member of the WDBA! We understand how difficult these last 12 months have been, but we would so much appreciate your membership! If you can pay the annual fee now that would be awesome! But if not, please at least, fill out the application to register as an official member. The more members we have, the more clout we have as an Association to make things happen in our Beautiful Downtown!

Thank you so much in advance!
